13P. Clarifications and explanations.-

Clarification and explanation as mentioned in sub-rule (21) of rule 13N regarding computation of capital gains and tax payable thereon under the Eighth Schedule to the Ordinance, and the amount and period of investment referred to in rule 2 of the said Eighth Schedule are as under:-

(a) Sales transactions:-

(i) Details of the transaction

An investor, holding securities, sells such securities in a stock exchange. The transaction is settled by transferring the securities sold from his account maintained in Central Depository System to the investor(s) buying the securities with credit of sale proceeds to the account of investor disposing of the securities.

(ii) Tax treatment

Disposal of security is to be taken as taxable event, at settlement date. Capital gain will be computed by applying FIFO method. If the securities holding period is more than one year, then no CGT shall be collected, otherwise, as per holding period, CGT shall be collected as per the holding period.

(iii) Example

A, being a client of a broker, has 2,000 shares of company ABC in his account. He acquired 1,000 shares on the 1st January, 2011 at Rs.15 per share, 500 on the 1st July, 2012 at Rs.16 per share and 500 on the 1st January, 2012 at Rs.14 per share. He disposed off 500 shares on the 1st February, 2012 at Rs.13 per share, 500 shares on the 7th February, 2012 at Rs.14 per share, 500 shares on the 21st February, 2012 at Rs.15 per share and 500 shares on the 28th February, 2012 at Rs.22 per share.

The cost of acquisition is deemed to include 0.50% of the acquisition cost as incidental expenses incurred.

NCCPL shall collect CGT as per following example ¹[(below rates are hypothetical and used solely for understanding purposes, therefore, rate as per Division VII of Part I of First Schedule will be applicable in case of actual transactions)]:

(b) Squaring up transactions in ready, futures and derivatives

(i) Details of the transaction

An investor holding shares disposes of such shares, but on the same day or in same futures or derivative contract he buys same quantity of shares. The system does not change the inventory balances of the person in his account. The net difference of sale and purchase is either paid being profit or recovered being loss from the investor.

(ii) Tax treatment

Since there is no movement in the account, the net difference is payable to the investor, the same shall be taken as capital gain for holding period less than 6 months and the net difference will be subject to tax collection at 10%. If the net difference is recoverable, then the same shall be treated as loss and no tax shall be collected.

(iii) Example

In the example given in clause (a)(iii), in addition to the above, if A on the 28th February 2013 sold 500 shares, at Rs.23, purchased 500 shares at Rs.21 and then sold 500 shares at Rs.22.

In this case, the average selling price of the two sales would be Rs.22.5 per share which will be taken as the basis for computing capital gains. Consequently, gain of Rs.750 (500 x (22.5-21)) shall be taken as taxable at 10%. Whereas, on remaining 500 shares sold the taxable gain, if any, will be computed by taking sale consideration at Rs.22.5 per share by apply FIFO method on inventory held by A in his account.

(c) Transfer owing to privatization

(i) Details of the transaction

Owing to privatization, the shares of Government owned entities may be offered to public through stock exchanges. In such case, the Government shareholding is placed in the account of Privatization Commission and, after subscription, the shares are transferred from Privatization Commission's account to the accounts of the buyers.

(ii) Tax treatment

Transfer of shares by the Federal or Provincial Government in an entity will not be subject to capital gains tax due to exemption contained in section 49 of the Ordinance.

Acquisition of shares shall not be subject to any tax. The cost of acquisition of the shares shall be the price paid by the buyers to acquire the shares and such cost base shall be taken into account for computation of capital gain on any subsequent disposal of shares by the buyers.

(d) Negotiated deal transactions

(i) Details of the transaction

Certain investors holding shares may sell through negotiated deal at a price agreed with the buyer e.g. a strategic sale and purchase of shares to acquire or dispose of controlling shares. Such transactions are reported as negotiated deal transactions at the relevant stock exchange through a stock broker in the manner prescribed by such stock exchange.

(ii) Tax treatment

The price reported as selling price or the market price, whichever is higher, shall be taken into account to compute capital gain on the basis of holding period of such securities.

(iii) Example

A holding 51% shares in company ABC (51,000 shares acquired at Rs.10). He negotiated a price of Rs.30 per share with a foreign investor who intends to hold company ABC. The transaction is reported to the stock exchange through the broker. In case the market price of such shares on that date of transaction is Rs.25, the capital gain shall be computed at the price of Rs.30 being higher of reported selling price and market price. Gain will be computed at Rs.20 per share (Rs.30 less Rs.10).

In case the market price of such shares on that date of transaction is Rs.35, the capital gain shall be computed at the price of Rs.35 being higher of reported selling price and market price. In this case gain will be computed at Rs.25 per share (Rs.35 less Rs.10).

(e) Transfer owing to acquisition

(i) Details of the transaction

Certain transactions in listed securities, fulfilling the rules and regulations, are entered into to acquire voting shares and takeovers under the Listed Companies (Substantial Acquisition of Voting Shares and Takeovers) Ordinance, 2002. Such transaction may be entered into at negotiated price or may be executed through the pricing mechanism of stock exchange.

(ii) Tax treatment

Similarly, when GDRs are converted into shares, the deposit of shares in the person's account shall not be a taxable event, being an acquisition of shares. Clearing Member (CM) of one stock exchange (Originating CM) deals with a CM of another stock exchange (Transacting CM) for sale or purchase of shares. When, the Originating CM does not confirm the transaction to the NCCPL, NCCPL completes the transaction by executing sale or purchase through Transacting CM. To complete the transaction, shares are delivered to/from the account of Transacting CM.

(ii) Tax treatment

Since such transactions are settled by the Transacting CM, NCCPL shall compute capital gain in respect of such transaction from such Transacting CM.

(p) Pledge call

(i) Details of the transaction

When a borrower defaults in payment to the lender, and ¹[securities] were pledged as collateral, the borrower is entitled to transfer such ²[securities] from the person in default to his own account.

(r) Right issue

(i) Details of the transaction

A Company may grant letter of rights to its shareholders to acquire further shares in the company at a given price. Such rights are credited to the respective shareholders account and such rights are also traded on stock exchange. A shareholder granted the right, or an investor who bought the right from the stock market, subscribe the shares of the company by making payment of given price of the shares. Shares so acquired may then be disposed of.

(ii) Tax treatment

When a person disposes of Letter of Rights (LORs) before subscription, the sale proceeds shall be treated as capital gain. Upon expiry/exercise of right, the disposal of LORs shall be recorded at zero price for the purpose of computation of CGT. Whereas normal sale/purchase of LORs shall be treated in a same manner as provided in clause (a).

(s) Merger

(i) Details of the transaction

Securities are moved pursuant to order or directive of authorities like SECP, SBP, High Court etc.

(ii) Tax treatment

Since no change of ownership of the shareholder is involved therefore such transfer will not be taken as taxable event and no CGT will be collected on such transfer.

(iii) Example

A holds 1,000 shares in ABC which he acquired at Rs.10 each on the 1st January, 2013. ABC merged into company XYZ through scheme approved by the High Court. XYZ issues 1 share for each 2 shares of company ABC. Consequently, in A's account, 1,000 shares in company ABC are replaced with 500 shares of company XYZ. The extinguishment of 1,000 shares in company ABC will be treated as tax neutral event, and 500 shares in XYZ will have the same cost base i.e. Rs.10,000 (Rs.20 per share). If subsequently, A sells shares of XYZ, capital gain will be computed taking into account the date of acquisition i.e. the 1st January, 2013. ¹[Similar treatment shall be applicable in case of merger of funds consequent of an order of court or SECP.]

(t) De-merger

(i) Details of the transaction

Consequent to the order of the court, SECP or State Bank of Pakistan, a company may de-merged and split into two companies. Consequently, the shareholding of existing company is also divided into shares of the two companies i.e. existing company and the new company. In Central Depository System, in a shareholders account the existing company's shareholding is reduced to the revised shareholding whereas new shareholding in the new company is also recognized.

(ii) Tax treatment

Pursuance to section 97A of the Ordinance, the splitting will be tax neutral event. The cost base of existing shareholding shall be divided in proportion to the revised shareholding in the existing company and the new company. The date of acquisition of

(u) Capital reduction / Splitting of shares / Conversion

(i) Details of the transaction

A company may consider reducing its paid capital or splitting the ² [securities] under the relevant laws. In such, the existing ³ [investors] are either required to surrender the existing ⁴[securities] and obtain new ⁵[securities] in the ratio approved, or the existing ⁶[securities] are divided into specified numbers of new ⁷[securities].

(ii) Tax treatment

Since the existing ⁸[investors] are issued with new ⁹[securities] in exchange of their existing ¹⁰[securities] due to the corporate requirements, and no change in ownership occurs, therefore, the cancellation of existing ¹¹[securities] is not to be treated as 'disposal' for tax purposes. Further, the cost and date of acquisition of new ¹²[securities] will remain same, as it was for existing ¹³[securities].

(v) Specie dividend

(i) Details of the transaction

A company declares dividend in specie, whereby, the dividend is paid in the form of shares in a company (other than the shares of the company declaring dividend). The shares will be added in the share holders' account and the cost ¹[of such shares shall be taken as zero], whereas, the acquisition date will be the date on which shares are credited. Such cost base shall be taken into account for computation of gain or loss at the time of disposal of shares received as specie dividend and original shares.

(w) Offer for sale

(i) Details of the transaction

Pursuant to section 61 of the Companies Ordinance, 1984, transactions for issuance or sale of securities can be carried out as offer for sale.

(ii) Tax treatment

When securities are issued by the company under offer for sale, the issuance is not a taxable event. The date on which such securities are credited to the investor's account shall be taken as acquisition date and the price paid for acquiring such securities shall be taken as cost of acquisition of such securities. Such date and cost base shall then be considered for computation of capital gains tax if such securities are disposed of by the investor subsequently.

If under offer for sale, a person disposes of securities held by him, then such disposal will be taxable event and subject to capital gains tax.

(x) Court orders

(i) Details of the transaction

There could be certain orders of the courts whereby transfer of securities may be required from an investor's account to another investor's account or any other person, e.g. deposit of securities with Nazir of the Court, transfer of securities in case of dispute among legal heirs, award of decree etc. etc.

_

Substituted for "will be calculated as calculated for Bonus shares in Example 1.17.3," by SRO 161(I)/2015, dated February 23, 2015.

(ii) Tax treatment

For example, in case of an order in dispute among legal heirs, the transfer of securities may not be taxable being covered under section 79 of the Ordinance. Similarly, in case of mergers or de-mergers, transfers would be tax neutral event. Whereas, in case of a decree against an investor, transfer of securities from his account may constitute taxable event.

NCCPL shall be responsible to compute capital gains tax, where a clearing member report transfer under a court order as taxable event through Central Depository System.

¹[(zc) Setoff of losses in case of investors having securities of multiple categories: Details of transaction:

An investor holds various securities i.e. shares of company listed in Pakistan Stock Exchange [PSX], units of open ended mutual funds and future commodity contracts traded at PMEX exchange. The investor has arrived at capital gain in case of certain securities while also incurred capital loss on other securities that is eligible for setoff with capital gain arrived at during the period on other securities.

(i) Tax Treatment:

Effective from 1 July 2016, units of open ended mutual funds and future commodity contracts are brought in the ambit of Eighth Schedule under NCCPL. Accordingly the investors will be entitled to have the capital loss adjusted against the capital gain in terms of Rule 13N(6) while NCCPL will calculate capital gain tax liability of net capital gain position i.e. after adjustment of capital losses for the year in terms of Rule 13N(10).

(ii) Example:

The examples in respect of above are given below (below rates are hypothetical and used solely for understanding purposes, therefore, rate as per Division VII of Part I of First Schedule will be applicable in case of actual transactions):

_

¹ Inserted by the SRO 1145(I)/2016 dated 7th December, 2016.

Example 1:

Client Name: Ahmed Ali UIN: 3520211111119

Financial Year: July 2016 to June 2017

Month: September 2016

1010111111	Coptombol 2010							
Description	Tax Obligation AMC- FUND-1		Tax Obligation PMEX		Tax Obligation PSX		Net Tax Obligation	
Tax Position computed by	Gain/ (Loss)	Tax	Gain/ (Loss)	Tax	Gain/ (Loss)	Tax	Gain/ (Loss)	Tax
NCCPL	100,000	10,000	200,000	20,000	(150,000)	0	150,000	15,000
Loss Allocation	(50,000)		(100,000)		150,000	0		
Net Tax	50,000	5,000	100,000	10,000	0	0	150,000	15,000
Tax Collection Demand		5,000		10,000				

In the above example, after adjustment of capital loss proportionally (In proportion of capital gains) during the month, NCCPL shall demand Rs 5,000 from AMC-1 and Rs 10,000 from PMEX.

Example 2:

Client Name: Ahmed Ali UIN: 3520211111119

Financial Year: July 2016 to June 2017

Month: February 2017

Balance as of December 31, 2016		CGT Computation PSX- February 2017		CGT Computation- PMEX- January 2017		Net CGT as of February 2017	
Gain/ (Loss)	CGT collection from PMEX	Gain/ (Loss)	CGT	Gain/(Loss)	CGT	Gain/(Loss)	CGT
100,000	10,000	50,000	5,000	(70,000)	NIL	80,000	8,000

In the above example, it is assumed that CGT of Rs. 10,000 has been collected by NCCPL from PMEX till December, 31 2016. Now, in the month of February, the investor has capital gains arising on disposal of listed securities at PSX and resulting tax liability on such gains Rs 5,000. However, due to net loss of Rs. (70,000) as reported by PMEX for respective investor, NCCPL will determine net capital gain of Rs. 80,000 (100,000+50,000-70,000) as at February 28, 2017 with net tax liability of Rs. 8,000. But as NCCPL has already collected Rs 10,000 from PMEX as at December 31, 2016 therefore, NCCPL will refund Rs. 2,000 (10,000-8000) to the PMEX.]

¹[(zd) Future Commodity contracts entered into by the member of PMEX:

¹ Inserted by the SRO 1145(I)/2016 dated 7th December, 2016.

(i) Details of transaction:

A member of PMEX has entered into future commodity contracts which are traded at PMEX. These can either be settled in cash or through actual settlement. Capital gains tax would have to be worked out in accordance with applicable legal framework.

(ii) Tax Treatment:

Effective from 1 July 2016, future commodity contracts entered into by the member of PMEX are brought in the ambit of Eighth Schedule under NCCPL. Accordingly NCCPL will calculate and determine capitals gain tax liability on these contracts in terms of Rule 13N.

(iii) Examples:

The examples in respect of above are as under (below rates are hypothetical and used solely for understanding purposes, therefore, rate as per Division VII of Part I of First Schedule will be applicable in case of actual transactions):

Example 1. Cash settled future commodity contracts:

- (3) Subject to sub-rule (6), the following methods shall apply for the purposes of determining an arm's length result, namely:-
 - (a) the comparable uncontrolled-price method;
 - (b) the resale price method;

- (2) The profit split method determines the arm's length result on the basis that the associates form a firm and agree to divide profits in the manner that independent persons would have agreed on the basis that they are dealing with each other at arm's length.
- (3) The Commissioner may determine the division of profits on the basis of a contribution analysis, a residual analysis or on any other basis as appropriate having regard to the facts and circumstances.
- (4) Under contribution analysis, the total profits from controlled transactions shall be divided on the basis of the relative value of the functions performed by each person participating in the controlled transactions.
- (5) Under residual analysis, the total profits from controlled transactions shall be divided as follows:-
 - (a) each person shall be allocated sufficient profit to provide the person with a basic return appropriate for the type of transactions in which the person is engaged; and

 - (c) Exception to the Extent Databases Contain Sufficient Information.

 A Reporting Financial Institution is not required to perform the paper

record search described in sub-clause (b) of clause (3) to the extent the Reporting Financial Institution's electronically searchable information includes the following; namely:-

- (i) the Account Holder's residence status;
- (ii) the Account Holder's residence address and mailing address currently on file with the Reporting Financial Institution;
- (iii) the Account Holder's telephone number currently on file, if any, with the Reporting Financial Institution;
- (iv) in the case of Financial Accounts other than Depository Accounts, whether there are standing instructions to transfer funds in the account to another account (including an account at another branch of the Reporting Financial Institution or another Financial Institution);
- (v) whether there is a current "in-care-of" address or "hold mail" instruction for the Account Holder; and
- vi) whether there is any power of attorney or signatory authority for the account.
- (d) Relationship Manager Inquiry or Actual Knowledge. In addition to the electronic and paper record searches described above, the Reporting Financial Institution shall treat as a Reportable Account any High Value Account assigned to a relationship manager (including any Financial Accounts aggregated with that High Value Account) if the relationship manager has actual knowledge that the Account Holder is a Reportable Person.

(e) Effect of Finding Indicia. -

- (i) if none of the indicia listed in sub-clause (b) of clause (2) are discovered in the enhanced review of High Value Accounts described above and the account is not identified as held by a Reportable Person in sub-clause (d) of clause (3), then further action is not required until there is a change in circumstances that results in one or more indicia being associated with the account;
- ii) if any of the indicia listed in paragraphs (i) through (v) of subclause (b) of clause (2) are discovered in the enhanced review of High Value Accounts described above, or if there is a subsequent change in circumstances that results in one or more indicia being

associated with the account, then the Reporting Financial Institution shall treat the account as a Reportable Account with respect to each Reportable Jurisdiction for which an indicium is identified unless it elects to apply sub-clause (f) of clause (2) and one of the exceptions in such clause applies with respect to that account:

- (iii) if a "hold mail" instruction or "in-care-of" address is discovered in the enhanced review of High Value Accounts described above, and no other address and none of the other indicia listed in paragraphs (i) through (v) of sub-clause (b) of clause (2) are identified for the Account Holder, the Reporting Financial Institution shall obtain from such Account Holder a selfcertification or Documentary Evidence to establish the residence for tax purposes of the Account Holder. If the Reporting Financial Institution cannot obtain such self-certification or Documentary Evidence, it shall report the account as an undocumented account;
- (f) if a Preexisting Individual Account is not a High Value Account as of the 30th June, 2017, but becomes a High Value Account as of the last day of a current or subsequent calendar year, the Reporting Financial Institution shall complete the enhanced review procedures described in clause (3) with respect to such account within the calendar year following the year in which the account becomes a High Value Account. If based on this review such account is identified as a Reportable Account, the Reporting Financial Institution shall report the required information about such account with respect to the year in which it is identified as a Reportable Account and subsequent years on an annual basis, unless the Account Holder ceases to be a Reportable Person;
- (g) once a Reporting Financial Institution applies the enhanced review procedures described in clause (3) to a High Value Account, the Reporting Financial Institution is not required to re-apply such procedures, other than the relationship manager inquiry described in sub-clause (d) clause (3), to the same High Value Account in any subsequent year unless the account is undocumented where the Reporting Financial Institution should re-apply them annually until such account ceases to be undocumented;
- (h) if there is a change of circumstances with respect to a High Value Account that results in one or more indicia described in sub-clause (b)

of clause (2) being associated with the account, then the Reporting Financial Institution shall treat the account as a Reportable Account with respect to each Reportable Jurisdiction for which an indicium is identified unless it elects to apply sub-clause (f) of clause (2) and one of the exceptions in such sub-clause applies with respect to that account.

(i) A Reporting Financial Institution shall implement procedures to ensure that a relationship manager identifies any change in circumstances of an account. For example, if a relationship manager is notified that the

Account Holder has a new mailing address in a Reportable Jurisdiction, the Reporting Financial Institution is required to treat the new address as a change in circumstances and, if it elects to apply sub-clause (f) of clause (2), is required to obtain the appropriate documentation from the Account Holder.

- (4) Review of Preexisting High Value Individual Accounts shall be completed by the 31st December, 2017 and for Low Value Accounts, by the 31st December, 2018; and
- (5) Any Preexisting Individual Account that has been identified as a Reportable Account under this rule shall be treated as a Reportable Account in all subsequent years, unless the Account Holder ceases to be a Reportable Person.
- **78F. Due Diligence for New Individual Accounts.** The following procedures shall apply for purposes of identifying Reportable Accounts among New Individual Accounts, namely:-
 - (1) With respect to New Individual Accounts, upon account opening, the Reporting Financial Institution shall obtain a self-certification, which may be part of the account opening documentation, that allows the Reporting Financial Institution to determine the Account Holder's residence for tax purposes and confirm the reasonableness of such self-certification based on the information obtained by the Reporting Financial Institution in connection with the opening of the account, including any documentation collected pursuant to AML or KYC Procedures:
 - (2) If the self-certification establishes that the Account Holder is resident for tax purposes in a Reportable Jurisdiction, the Reporting Financial Institution shall treat the account as a Reportable Account and the selfcertification shall also include the Account Holder's TIN with respect to

- such Reportable Jurisdiction (subject to sub-rule (4) of rule 78C) and date of birth; and
- (3) If there is a change of circumstances with respect to a New Individual Account that causes the Reporting Financial Institution to know, or have reason to know, that the original self certification is incorrect or unreliable, the Reporting Financial Institution cannot rely on the original self-certification and shall obtain a valid self-certification that establishes the residence for tax purposes of the Account Holder.
- **78G. Due Diligence for Preexisting Entity Accounts.** The following procedures shall apply for the purposes of identifying Reportable Accounts among Preexisting Entity Accounts, namely:-
 - (1) Entity Accounts not Required to be Reviewed, Identified or Reported. Unless the Reporting Financial Institution elects otherwise, either with respect to all Preexisting Entity Accounts or, separately, with respect to any clearly identified group of such accounts, a Preexisting Entity Account with an aggregate account balance or value that does not exceed two hundred fifty thousand US Dollars as of the 31st December, 2017, is not required to be reviewed, identified or reported as a Reportable Account until the account balance or value exceeds two hundred fifty thousand US Dollars as of the last day of any subsequent calendar year;
 - (2) Entity Accounts subject to Review. A Preexisting Entity Account that has an aggregate account balance or value that exceeds two hundred fifty thousand US Dollars as of the 31st December, 2017, and a Preexisting Entity Account that does not exceed two hundred fifty thousand US Dollars as of the 31st December, 2017 but the aggregate account balance or value of which exceeds two hundred fifty thousand US Dollars as of the last day of any subsequent calendar year, shall be reviewed in accordance with the procedures set forth in clause (4);
 - (3) Entity Accounts with respect to which Reporting is required. With respect to Preexisting Entity Accounts described in clause (2), only accounts that are held by one or more Entities that are Reportable Persons, or by Passive NFEs with one or more Controlling Persons who are Reportable Persons, shall be treated as Reportable Accounts;
 - (4) Review Procedures for identifying entity Accounts with respect to which Reporting is required. For Preexisting Entity Accounts described in clause (2), a Reporting Financial Institution shall apply the following review procedures to determine whether the account is held

by one or more Reportable Persons, or by Passive NFEs with one or more Controlling Persons who are Reportable Persons, namely:-

- (a) Determine whether the Entity is a Reportable Person.
 - (i) Review information maintained for regulatory or customer relationship purposes (including information collected pursuant to AML or KYC Procedures) to determine whether the information indicates that the Account Holder is resident in a Reportable Jurisdiction. For this purpose, information indicating that the Account Holder is resident in a Reportable Jurisdiction includes a place of incorporation or organisation, or an address in a Reportable Jurisdiction;
 - (ii) If the information indicates that the Account Holder is resident in a Reportable Jurisdiction, the Reporting Financial Institution shall treat the account as a Reportable Account unless it obtains a self-certification from the Account Holder, or reasonably determines based on information in its possession or that is publicly available, that the Account Holder is not a Reportable Person;
- (b) Determine whether the Entity is a Passive NFE with one or more Controlling Persons who are Reportable Persons. With respect to an Account Holder of a Preexisting Entity Account (including an Entity that is a Reportable Person), the Reporting Financial Institution shall determine whether the Account Holder is a Passive NFE with one or more Controlling Persons who are Reportable Persons. If any of the Controlling Persons of a Passive NFE is a Reportable Person, then the account shall be treated as a Reportable Account. In making these determinations the Reporting Financial Institution shall follow the guidance in the following paragraphs in the order most appropriate under the circumstances:-
 - (i) Determining whether the Account Holder is a Passive NFE. For purposes of determining whether the Account Holder is a Passive NFE, the Reporting Financial Institution shall obtain a self-certification from the Account Holder to establish its status, unless it has information in its possession or that is publicly available, based on which it can reasonably determine that the Account Holder is an Active NFE or a Financial Institution other than an Investment Entity described in paragraph (ii) of sub-clause

- (f) of rule 78B that is not a Participating Jurisdiction Financial Institution;
- (ii) Determining the Controlling Persons of an Account Holder. For the purposes of determining the Controlling Persons of an Account Holder, a Reporting Financial Institution may rely on information collected and maintained pursuant to AML or KYC Procedures; and
- (iii) Determining whether a Controlling Person of a Passive NFE is a Reportable Person. For the purposes of determining whether a Controlling Person of a Passive NFE is a Reportable Person, a Reporting Financial Institution may rely on Information collected and maintained pursuant to AML or KYC Procedures in the case of a Preexisting Entity Account held by one or more NFEs with an aggregate account balance that does not exceed one million US Dollars; or a self-certification from the Account Holder or such Controlling Person of the jurisdiction in which the Controlling Person is resident for tax purposes; and
- (5) Timing of Review and Additional Procedures Applicable to Preexisting Entity Accounts.
 - (a) Review of Preexisting Entity Accounts with an aggregate account balance or value that exceeds two hundred fifty thousand US Dollars as of the 31st December, 2017 shall be completed by the 31st December, 2018.
 - (b) Review of Preexisting Entity Accounts with an aggregate account balance or value that does not exceed two hundred fifty thousand US Dollars as of the 31st December, 2017, but exceeds two hundred fifty thousand US Dollars as of the 31st December of a subsequent year, shall be completed within the calendar year following the year in which the aggregate account balance or value exceeds two hundred fifty thousand US Dollars; and
 - (c) If there is a change of circumstances with respect to a Preexisting Entity Account that causes the Reporting Financial Institution to know, or have reason to know, that the selfcertification or other documentation associated with an account is incorrect or unreliable, the Reporting Financial Institution shall re-

determine the status of the account in accordance with the procedures set forth under clause (4).

78H. Due Diligence for New Entity Accounts.- The following procedures shall apply for purposes of identifying Reportable Accounts among New Entity Accounts; namely:-

- (1) Review procedures for identifying Entity Accounts with respect to which reporting is required. For New Entity Accounts, a Reporting Financial Institution shall apply the following review procedures to determine whether the account is held by one or more Reportable Persons, or by Passive NFEs with one or more Controlling Persons who are Reportable Persons:-
 - (a) Determine Whether the Entity Is a Reportable Person.
 - (i) Obtain a self-certification, which may be part of the account opening documentation, that allows the Reporting Financial Institution to determine the Account Holder's residence for tax purposes and confirm the reasonableness of such selfcertification based on the information obtained by the Reporting Financial Institution in connection with the opening of the account, including any documentation collected pursuant to AML or KYC Procedures. If the Entity certifies that it has no residence for tax purposes, the Reporting Financial Institution may rely on the address of the principal office of the Entity to determine the residence of the Account Holder; and
 - (ii) If the self-certification indicates that the Account Holder is resident in a Reportable Jurisdiction, the Reporting Financial Institution shall treat the account as a Reportable Account unless it reasonably determines based on information in its possession or that is publicly available, that the Account Holder is not a Reportable Person with respect to such Reportable Jurisdiction;
 - (b) Determine whether the Entity is a Passive NFE with one or more Controlling Persons who are Reportable Persons. With respect to an Account Holder of a New Entity Account (including an Entity that is a Reportable Person), the Reporting Financial Institution shall determine whether the Account Holder is a Passive NFE with one or more Controlling Persons who are Reportable Persons. If any of the Controlling Persons of a

Passive NFE is a Reportable Person, then the account shall be treated as a Reportable Account. In making these determinations the Reporting Financial Institution shall follow the following paragraphs in the order most appropriate under the circumstances as under:-

- (i) Determining whether the Account Holder is a Passive NFE. For purposes of determining whether the Account Holder is a Passive NFE, the Reporting Financial Institution shall rely on a self-certification from the Account Holder to establish its status, unless it has information in its possession or that is publicly available, based on which it can reasonably determine that the Account Holder is an Active NFE or a Financial Institution other than an Investment Entity described in sub-clause (ii) of clause (f) of rule 78B that is not a Participating Jurisdiction Financial Institution:
- (ii) Determining the Controlling Persons of an Account Holder. For purposes of determining the Controlling Persons of an Account Holder, a Reporting Financial Institution may rely on information collected and maintained pursuant to AML or KYC Procedures; and
- (iii) Determining whether a Controlling Person of a Passive NFE is a Reportable Person. For purposes of determining whether a Controlling Person of a Passive NFE is a Reportable Person, a Reporting Financial Institution may rely on a self-certification from the Account Holder or such Controlling Person.
- **78I.** Special due Diligence Rules. The following additional clauses shall apply in implementing the due diligence procedures described above:
 - (1) Reliance on self- certification and documentary evidence. A Reporting Financial Institution may not rely on a self-certification or Documentary Evidence if the Reporting Financial Institution knows or has reason to know that the self-certification or Documentary Evidence is incorrect or unreliable;
 - (2) Alternative procedures for financial accounts held by individual beneficiaries of a cash value insurance contract or an annuity contract. A Reporting Financial Institution may presume that an individual beneficiary (other than the owner) of a Cash Value Insurance

Contract or an Annuity Contract receiving a death benefit is not a Reportable Person and may treat such Financial Account as other than a Reportable Account unless the Reporting Financial Institution has actual knowledge, or reason to know, that the beneficiary is a Reportable Person. A Reporting Financial Institution has reason to know that a beneficiary of a Cash Value Insurance Contract or an Annuity Contract is a Reportable Person if the information collected by the Reporting Financial Institution and associated with the beneficiary contains indicia as described in clause (2) of rule 78E. If a Reporting Financial Institution has actual knowledge, or reason to know, that the beneficiary is a Reportable Person, the Reporting Financial Institution shall follow the procedures in clause (2) of rule 78E;

(3) Account Balance Aggregation and Currency Rules.-

- (a) Aggregation of individual accounts. For purposes of determining the aggregate balance or value of Financial Accounts held by an individual, a Reporting Financial Institution is required to aggregate all Financial Accounts maintained by the Reporting Financial Institution, or by a Related Entity, but only to the extent that the Reporting Financial Institution's computerized systems link the Financial Accounts by reference to a data element such as client number or TIN, and allow account balances or values to be aggregated. Each holder of a jointly held Financial Account shall be attributed the entire balance or value of the jointly held Financial Account for purposes of applying the aggregation requirements described in this sub-rule;
- (b) Aggregation of entity accounts. For purposes of determining the aggregate balance or value of Financial Accounts held by an Entity, a Reporting Financial Institution is required to take into account all Financial Accounts that are maintained by the Reporting Financial Institution, or by a Related Entity, but only to the extent that the Reporting Financial Institution's computerized systems link the Financial Accounts by reference to a data element such as client number or TIN, and allow account balances or values to be aggregated. Each holder of a jointly held Financial Account shall be attributed the entire

balance or value of the jointly held Financial Account for purposes of applying the aggregation requirements described in this sub-rule;

- (c) Special aggregation rule applicable to relationship managers. For purposes of determining the aggregate balance or value of Financial Accounts held by a person to determine whether a Financial Account is a High Value Account, a Reporting Financial Institution is also required, in the case of any Financial Accounts that a relationship manager knows, or has reason to know, are directly or indirectly owned, controlled, or established (other than in a fiduciary capacity) by the same person, to aggregate all such accounts; and
- (d) Amounts read to include equivalent in other currencies. All dollar amounts are in U.S. dollars and shall be read to include equivalent amounts in other currencies, as determined by domestic law.
